

Pennants has ended for season 2011-2012, our thanks to all those members who supported the club throughout the season.

Bassendean was represented with pride by all our players and we enjoyed a successful season in the Men's and Ladies divisions as follows:

MEN'S SATURDAY PENNANTS

Premier League - we finished in 6th position which is the club's best ever performance in the top league in WA, in fact it is the first time our club has held Premier League.

Third Division - A fantastic effort to end the year in 2nd position and making the Grand Final, unfortunately they lost the GF after 2 extra ends as a result of the original score being a draw.

Fifth Division - we had two colours in 5th division, Blue who ended the season in last position and Gold who finished 2nd and made the Grand Final, unfortunately losing in a very close tussle.

MEN'S MIDWEEK PENNANTS

First Division Blue (North) - went through the entire season, including the Grand Final UNDEFEATED... we believe this is an association record!

Second Division Gold - ended the season in 9th place, unfortunately being relegated to Third division for next season.

Fourth Division Blue - finished in tenth position, and will be relegated to 5th division next season.
