

Your husband is suffering from a very severe stress disorder. If you don't do the following he will surely die. Each morning fix him a healthy breakfast. Be pleasant at all times. For lunch make him a nutritious meal. For dinner prepare an especially nice meal. No chores. No nagging. Oh yes, and make love several times a week. Do this for the next year and

he'll regain his health completely!

What did the doctor say ?

You're going to die!
