

Tom swam for his life...

...but the currants were too strong for him

The Conference Pears made many fruitless attempts to send and receive e-mails on their new Blackberries...

Kevin had spent the entire day downloading corn on the internet...

Barney was in no doubt...

...they were now looking for a cereal killer

The Plumber was called in when they found a really bad leek in the bathroom...

The best thing about Eddie's new job was the huge celery...

The agency hadn't properly explained...

...that she would actually be meeting a blind date

The carrots had a pea up against the wall...

The blind date and his faithful cauli...

...became inseparable companions

Hazel handed in her notice, because she was tired of working for peanuts...
